DEEPER SHADE OF SOUL

Director: Kevin Kerslake

VIDEO PROFILE

DEEPER SHADE OF SOUL

PinkPop Festival - June, 1990

"Urban Dance Squad mixes lots of noise with some heavy rapping, and makes the whole thing danceable. The result is so obviously an indication of things to come that anyone pondering the future of pop music ought to check them out."

-NEW YORK MAGAZINE

"This is heavy sh*t motherf**ker, the most now music since rap's explosion. Mental Floss For The Globe is one stinging shazam that cannot be ignored." **-SPIN**

"Urban Dance Squad crank up the gits, scratch up the wax and spit it right back in your face."

-VILLAGE VOICE

"Listening to them is like listening to a collage of modern music. Inherent in their sound is rap, '60s psychedelica, hardcore and delta blues."

-GOOD TIMES

DEEPER SHADE OF SOUL

Director: Kevin Kerslake

VIDEO PROFILE

DEEPER SHADE OF SOUL

PinkPop Festival - June, 1990

"Urban Dance Squad mixes lots of noise with some heavy rapping, and makes the whole thing danceable. The result is so obviously an indication of things to come that anyone pondering the future of pop music ought to check them out."

-NEW YORK MAGAZINE

"This is heavy sh*t motherf**ker, the most now music since rap's explosion. Mental Floss For The Globe is one stinging shazam that cannot be ignored." *-SPIN*

"Urban Dance Squad crank up the gits, scratch up the wax and spit it right back in your face."

-VILLAGE VOICE

"Listening to them is like listening to a collage of modern music. Inherent in their sound is rap, '60s psychedelica, hardcore and delta blues."
